

BESSIE WALKER DIDN'T GIVE A DAMN ABOUT HIM WHEN SHE WAS ON THE NEWARK BOARD OF EDUCATION.

what makes you think she's going to care if she's elected to the Newark City Council?

As a Newark School Board member, Bessie Walker traveled around the world,
eating and drinking your tax dollars away.

While Bessie was having a great time, even though the Board had a
\$62 Million dollar surplus, Newark schoolchildren
had to go without books, without heat, and without toilet paper.

Now, Bessie wants another free ride-- on the Newark City Council.

Don't reward disrespect and incompetence--
keep Bessie Walker off the Newark City Council
